

# PPG Tours and PPG Events Sustainability Achievements

---

PPG Events and PPG Tours continue to strengthen sustainability across business operations, supplier relationships, and programme delivery. Key achievements to date include:

- Achieving Travelife Partner status, recognising compliance with more than 100 sustainability criteria across business operations, product development, supplier engagement, customer communication, and destination management.
- Being officially recognised as Year 1 Sustainable Suppliers through Sustainable Events NZ, an initiative led by New Zealand Events Association.
- Publishing and maintaining a formal sustainability policy to support transparency and accountability.
- Integrating sustainability into supplier engagement, including communication of sustainability expectations and responsible supplier selection.
- Supporting responsible local, cultural, and community-based experiences within programmes delivered across New Zealand.
- Continuing internal sustainability awareness through day-to-day operational practices, including waste reduction, recycling, and responsible office procedures.
- Encouraging positive supplier participation through initiatives such as tree planting linked to supplier engagement.
